| Purchasing Software | We can advise you on which program best meets your requirements and offer great deals on new programs or upgrades. |
| Training | We offer training courses tailored to your needs, from initial training, to getting the most from your program. |
| Support | Not only do we offer <i>telephone support</i> , but we can now offer <i>remote access</i> support, whereby we can link into your computer from our office, and if it can not be sorted out in this way, we will come out to your premises.
Obtain advice from people who understand your bookkeeping, accounts and payroll queries. |
| Design Service | We can create customer invoice layouts etc to make you stand out from the crowd. Design reports to provide the information you want in the way you want it. |
